

**SATURDAY OCT, 8
& SUNDAY OCT, 9
EM SUNRISE BEACH & PB2**

HSO and express mart are excited to announce the return of our fishing tournament fundraiser this year with our “em outdoors, gone fishing tournament”! This year we are partnering with Jefferson County non-profit, Living Life on 2 Wheels, to bring bike parks to Jefferson County. **We have already raised \$28,864.24** through fundraising efforts at our 9 express mart convenient stores, and we are looking for your **help to get us to our goal of \$100,000!**

Cycling proponents Chris and Rene Creed of Festus have purchased an 820-acre piece of property off Platin Road south of Festus where they plan to create bike, hiking and nature trails for public use. The Creeds have long wanted to create a place where people can go to bike, hike and enjoy nature and have taken a step closer to making that a reality. “Developing trails for both cycling and walking/hiking that are open to the public is our first priority,” Creed said. “Living Life on 2 Wheels will have a trail easement that allows the nonprofit to develop these trails, maintain these trails and offer them for free public use.” Rene Creed said she believes the proposed facility will draw people to the area. “Families need more outdoor adventure to get them off their

devices and back into nature,” she said. “Cycling comes with both mental and physical wellness. Studies have shown this. Why wouldn’t Jefferson County want this?”

It is generous sponsors like you who will help us grow our community and help give families an opportunity to get outdoors! There are numerous options for donation, we have sponsorship packages outlined in the accompanying flyer, you can donate product for our silent auction, product for our goodie bags, attendance prizes, or product for the event itself (drinks, snacks, etc.).

We appreciate any support you can provide us and this great cause that is very close to us and our community. We also invite you to join us Saturday night for our Thank You banquet and Sunday to fish, this event is always a great turn-out of great people looking to donate to a great cause and have a little fun fishing.

Please make sure your lodging accommodations are made as early as possible.

**Much appreciation,
Bryan Goforth | President, Home Service Oil Co. & express mart**
